On November 14, 1986, the Commission issued an Order requiring Green River Electric Corporation ("Green River") to submit certain information. Pursuant to that Order, the Commission now requests additional information pertaining to this case. The information requested herein is due no later than January 15, 1987. If the information cannot be provided by that date, Green River should submit a motion for an extension of time stating the reason why a delay is necessary and including a date by which the information will be furnished. Such motion will be considered by the Commission.

(1) A listing for each of the above months showing the charges from Big Rivers Utility to Green River for the Panama Mine and how these charges are incorporated into the monthly fuel adjustment clause (FAC) report to the Commission.

Done at Frankfort, Kentucky, this 5th day of January, 1987.
